Dear Mrs. Alaa Ahmed:

CONGRATULATIONS!

Your paper #1571041133 ('Comprehensive Evaluation of Vision Transformer in MRI-based Brain Tumor Detection') submitted to the **2024 International Conference on Computer and Applications (ICCA)** has been peer reviewed and accepted for ORAL PRESENTATION and PUBLICATION in the IEEE/ICCA24 proceedings. The peer review reports of your paper are given below. You can find them also at [1571041133](#).

One author of the paper should register by SEVEN WORKING DAYS after this acceptance notification and present the paper either online or onsite. Co-authors can attend the conference onsite, but they should also register. **The registration of a paper covers one author ONLY.**

PLEASE SET YOUR CHOICE (ONLINE/ONSITE) IN EDAS so we can know your status.

You can register your paper by different means (PayPal, credit/debit cards, Western Union or Bank Transfer).

Please refer to following link for details:

<http://icca-conf.info/> (REGISTRATION SECTION)

Just click on the REGISTER button and let yourself be guided on the steps.

You can also use this direct link:

<https://www.paypal.com/ncp/payment/G6C6NJKY2YS84>

For any inquiry, please contact Eng. Dana Bandoock at icca.conf@gmail.com.

She is always ready to assist and answer your questions.

Again, thank you very much for considering **ICCA 2024** to publish your valuable work and we wish to meet you in person during the conference.

Best regards,

Prof. Samir A. ELSAOUD

Prof. Omar Karam

***ICCA'2024 Chairs - <https://icca-conf.info/> ***

The peer review reports:

Review 1

Relevance to the Conference Themes: Is the paper content appropriate for the ICCA conference themes?

Relevant (4)

Standard of English: What about the English language of the paper?

Very Good (4)

Content: How would you rate the quality of the technical/management content of the paper?

Accept (5)

References: Are the references adequate and correctly cited?

Excellent (5)

Over all score: Please give an overall score for this paper [10..100]:

[90..100] (9)

Recommendations for Authors: Do you recommend acceptance or rejection of this paper?

Strong Accept (5)

Guidance: Please provide specific recommendations that you would like to suggest to the author for improving the paper.

Good research paper

Review 2

Relevance to the Conference Themes: Is the paper content appropriate for the ICCA conference themes?

Highly Relevant (5)

Standard of English: What about the English language of the paper?

Very Good (4)

Content: How would you rate the quality of the technical/management content of the paper?

Accept (5)

References: Are the references adequate and correctly cited?

Good (3)

Over all score: Please give an overall score for this paper [10..100]:

[60..70] (6)

Recommendations for Authors: Do you recommend acceptance or rejection of this paper?

Accept (4)
